

Introduction of attendees Review swap meet / group rides after swap meet

- \$120 was donated to NMBA
- Group ride included - Kevin, Bill, Travis, and two guys from Rattleing Creek. Ride included Tussey Mtn trail and the ridge trail up Sand Springs trail above Shingletown

Discuss planned group rides

- Poll reviewed, Wed and Sun were choices. Weekday ride is to be 6:00pm Wednesday meeting at the state forest parking area past Tussey mtn in Rothrock. First ride to be Wed. after daylight savings change - April 10th
- Group rides to be posted for Sundays when other rides/trail maintenance is not scheduled

Discuss trailwork options and equipment

- Frank discussed his meeting with Rothrock Forestry - very successful. Work to include long mtn trail re-route, a new trail from Tussey mtn trail down to Treaster-Kettle road then on to John Wert Path via shingle path.
- First trail maintenance Day - **Sunday April 7th at 9am** - re-route at bottom of longberger going down to laurel run road
- Equipment of members was reviewed and we seem to have plenty of equipment along with being able to borrow from Penn State and NVC
- Scheduled trail maintenance days are to be on the 3rd weekend of the month, unless otherwise stated

Review scheduled events

- May 11th group ride at RB Winter Park - Saturday 1 PM - We need to decide on a route
- Aug 9th group ride - Mike to put poll on site to decide place
- R3 re-ride was discussed along with other "options" during that time - July 13th

KMBA update - Next meeting is April 27th Discuss officers

- Initial slate of officers was accepted temporarily and should be put on the web site as such

Schedule next meeting

- Mike to look into use of Tussey Mtn lodge, either 17th or 24th of April

Any other business

- Insurance through IMBA - Adam to look into. Was decided to use swap meet money for IMBA insurance for club.
- It was decided to collect \$10 dues at next meeting
